

2010 National Guard Junior World Championship Junior Tournament

Official Rules and Regulations

1. RULE CHANGES: These rules and safety regulations are "time tested" over many years of federation history and represent great effort, study and research that have went into them. The following rules of this tournament will remain unchanged, except for special tournaments conducted by The Bass Federation, Inc., herein after (TBF). The rules set forth by the Board of Directors shall remain unchanged, except for special tournaments conducted by TBF. Interpretation and enforcement of these rules shall be left exclusively to the Tournament Director. In the event of a rules violation, the Tournament Director may impose such sanctions, as they deem appropriate, including, without limitation, disqualification, forfeiture of prizes and prohibition from participation in subsequent tournaments. The decisions of the Tournament Director and tournament officials shall be final in all matters.

2. PARTICIPANTS AND ELIGIBILITY: Participation in the National Guard Junior World Championship (NGJWC) tournament is by invitation only. This tournament is only open to members in good standing with a TBF Federation Junior Anglers Chapter and a TBF State Federation Chapter or under special invitation. Contenders must meet age and eligibility requirements as set forth by the following: Contenders must have obtained the age of 11 years, but not yet 15 years as of Aug. 31 of the World Championship year and 15 years, but not yet 19 years, on August 31 of the World Championship competition year. Proof of age to the satisfaction of tournament officials is the responsibility of the competitor. All participants must have in their possession a valid fishing license covering the waters to be fished, where required by law. **A PROPERLY COMPLETED AND SIGNED ENTRY FORM MUST BE RECEIVED BY TBF ON OR BEFORE THE DEADLINE DATE.** The Tournament Director reserves the right to discontinue acceptance of applications prior to deadline and also the right to extend the acceptance date. As a participant in a TBF tournament, you agree that while participating at the NGJWC competition and events, to use any and all official products and equipment so specified and provided by TBF.

3. PRE-TOURNAMENT PRACTICE: The NGJWC waters will be off-limits starting from Sunday night midnight Aug 1, 2010 through the start of the event on Aug 6. There will be no official practice day. **Starting at midnight Sunday Aug 1, 2010 and continuing through the final weigh-in of the 2010 NGJWC, August 7, competitors cannot solicit, receive, or gather any information via phone, electronic devices, or any other means with regard to locating or catching fish on another 2010 NGJWC competitor or their NGJWC Pro angler/Boat Captain. NO EXCEPTIONS.** No competitor may buy or barter a fishing location from guides or other contenders for use during any competition day. During competition days of the tournament, a contender may not use a CB Radio, VHF marine band radio, a cellular phone, or any other type of communication device for the purpose of locating or catching fish. Contenders are permitted to transmit by radio or telephone only in the event of an emergency. Cell phones cannot be used

until fish have been weighed. If so equipped, contestants may listen to the marine-band weather information. Each contestant agrees to report, in a timely manner, to the Tournament Director any violation or infraction of these Tournament Rules. The failure to report violations or suggestion to violate these Rules, or false verification of weigh-in forms will be cause for disqualification.

4. REGISTRATION: Each contender is required to pre-register and return completed entry forms and a copy of your birth certificate to TBF on or before the deadline date. Upon arrival at the host hotel, each contender must check-in at contender registration and obtain his/her registration packet. Failure to register in person during the prescribed hours may result in a \$25.00 monetary fine or possible forfeiture of participation. **It shall be the contender's responsibility to check the schedule of events for official registration time and location or obtain times from TBF, Inc.**

5. SPORTSMANSHIP: Contenders in the NGJWC tournament are expected to follow high standards of **sportsmanship, courtesy, safety and conservation.** Any infraction of these fundamental sporting principles may be deemed cause for disqualification. Use of alcohol or drugs (other than those purchased over the counter or prescribed by a licensed physician) by any contender during the official event or during the tournament will not be tolerated and shall be cause for automatic disqualification from this and all future TBF tournaments. No alcoholic beverages or other stimulants or depressants, prescription or otherwise, shall be allowed in the boats during the Tournament or competition day, or when in the weigh-in area. Maximum courtesy must be practiced at all times, especially with regard to boating and angling in the vicinity of non-competitors who may be on tournament waters. Any act of a competitor which reflects unfavorably upon efforts to promote fisheries conservation, clean waters, and courtesy shall be reason for disqualification. All contenders are bound by the prevailing statutes and regulations of the various states within which they fish. Chemical substance addiction or abuse, conviction of a felony or other crimes involving moral turpitude, or other conduct reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition and compliance with tournament rules shall be grounds for rejecting any application for participation and for disqualification. Any disqualification or suspension from, or other disciplinary action regarding any tournament or fishing organization, shall be grounds for rejecting any application for participation and for disqualification.

6. SAFETY: In the event of an emergency situation, competitors should call 911 first and then notify tournament officials. All persons in a tournament boat shall remain seated in a recommended on-plane seating location when the combustion engine is running. Sitting on pedestal seats while the combustion engine is in operation is not permitted. TBF Junior Anglers are NOT permitted to operate the main engine or drive the boat. Safe boat conduct must be observed at all times by tournament contenders, observers and boat captains. During the tournament, each competitor and Pro Angler/Boat Captain is required to wear a Coast Guard approved **chest type** life preserver. The contestants must wear their life preservers anytime the combustion engine is operating. The preserver must be strapped, snapped or zippered securely and maintained in that condition until the competitors reach their fishing location and the combustion engine is shut off. Violation of this rule shall be reason for disqualification. Tournament officials have the right to delay, shorten or cancel the start of an official tournament day because of bad weather or other factors that would endanger the safety of the competitors. Tournament waters may also be restricted at any time because of bad weather. TBF reserves the right to impose speed limits on any or all tournaments. Whether or not to impose a speed limit, the area covered by the speed limit and/or the actual speed limit

imposed shall be left exclusively to the discretion of the Tournament Director

7. TACKLE AND EQUIPMENT: Only artificial lures may be used. No "live bait" or prepared bait will be permitted, with the exception of pork strips, rinds, etc. Only one casting, spin casting, or spinning rod (8 ft. max. length from butt of handle to rod tip) and reel may be used at any one time. All other types prohibited. Each NGJWC contender will be allowed six rods and reels, as specified above, in boat ready for use. However, only one outfit is permitted in use at any given time. Contenders are limited to two (2) standard "large" tackle systems of their choice no bigger than 18" x 15" x 10". All bass must be caught alive and in a conventional sporting manner. Anyone guilty of snatching or snagging visible fish will have their day's catch disqualified. When visually fishing for bass, to be counted as legal fish all bass must be hooked inside the mouth and **must be verified** by your partner before being unhooked. Gaffs may not be used to boat bass nor be permitted in the boat at any time. The use of grippers in landing bass is prohibited. Dip nets will be allowed and will be included.

8. BOAT AND MOTOR: For the safety of all participants, boats will be equipped with some type of ignition\engine stop\shutoff device. The engine stop switch device must be attached to the driver's body any time the combustion engine is operating. Anytime the combustion engine is operating and in gear, the Pro Angler/Boat Captain must be the driver in the driver's seat in full control of the boat. A small electric trolling motor may be used for slow maneuvering; however, trolling as a method of fishing is prohibited. All boats must be propeller driven, a minimum of 17 feet in length and have a rear deck. All boats must be equipped with wheel steering; no other steering device will be permitted. No barges or similar cumbersome crafts will be permitted. Each boat must have all required U.S. Coast Guard safety equipment. Boats must contain a properly aerated livewell space to maintain alive a limit catch of bass by both contestants. Maximum horsepower for all outboards used in tournament competition will be 250 horsepower, not to exceed the horsepower capacity set forth on the "Maximum Capacities" plate described below. Each boat must have a clearly legible "Maximum Capacities" (or comparably titled) plate that includes a maximum horsepower rating affixed to the boat by the manufacturer. The horsepower of the outboard engine must not exceed the maximum horsepower capacity specified on this plate or a 250 horsepower maximum. By signing the entry form, each contestant agrees to submit his/her boat and/or motor to an inspection by tournament officials or manufacturers personnel. Falsifying information on entry forms or altering the horsepower numbers on the motor or rating plate will be cause for disqualification from the tournament and may result in ineligibility to compete in future TBF or FLW Outdoors events. Fishing platforms must be factory-installed equipment. No portable platforms may be used in tournament competition. Fuel may be carried only in factory-installed (built-in) fuel tanks. Any additional fuel used during the tournament day must be purchased from a retail facility open to the public.

9. BASIC BOAT EQUIPMENT: Every boat must have all required safety equipment. In addition, it must have a functional bilge pump and **livewell space, properly aerated, to adequately maintain alive a limit catch of bass by both competitors using the boat.** TBF recommends the use of livewell additive Rejuvenade to promote a healthy release of all fish to their natural habitat. Further TBF Conservation Dept. recommends the use of ICE to cool livewell water and improve oxygen levels during "summer" months. Leave your aerators on "recirculate" and running. Tournament officials shall have the sole responsibility for determining whether aeration and capacity is "proper and adequate."

10. BOAT IDENTIFICATION: Each boat MUST be given, prior to each day's start, a livewell and SAFETY INSPECTION check by a tournament official. Also a boat marker, which MUST

remain in the boat and turned in during check-in at the end of each day. A boat is officially checked-in when the number is logged in.

11. BOAT OPERATION: A full discussion must be held between the two Junior Angler contenders prior to the morning departure as to the schedule of boat operations.

This schedule must permit each partner equal time to fish from the front of the boat and operate the trolling motor, if allowed, so as to afford each partner the opportunity to fish his/her selected water an equal amount of time. Distance traveled to fishing locations must be considered in order not to deprive either partner fishing time while traveling to and from fishing waters.

The junior angler in the older age group MUST take the front half of the boat by their self the first half of the day, and remain in the back half of the boat the second half of the day. The junior angler in the younger age group MUST take the front deck of the boat by their self the second half of the day and remain in the back of the boat for the first half of the day. In the event that the junior angler cannot or wishes not to run the trolling motor the Pro Partner will be required to run it for them. Any contestant, who, in the judgment of the officials, operates the boat in such a manner as to unfairly handicap his/her partner, shall be disqualified. The Pro boat captain has sole discretion to veto any selected location for safety reasons.

12. PERMITTED FISHING LOCATIONS: Tournament waters shall be established by the Tournament Director for each NGJWC. Each competitor must obtain this information from TBF Staff. Any water within these boundaries posted Off-Limits or No Fishing by state or federal agencies will be **OFF-LIMITS**. Also, any live bass-release area established by the Tournament Director will be **OFF-LIMITS** and will be announced at the Tournament Briefing. Only that water open to **ALL** public fishing will be considered tournament waters. All angling must be done from the boat.

13. CONTESTANTS MUST REMAIN IN BOAT: Contestants must not depart the boat to land fish or to make the boat more accessible to fishing waters. Boats must remain in tournament waters during tournament days. Contestants must leave and return to official checkpoint by boat. Both competitors must remain in boat at all times except in case of dire emergency. In such an emergency, both competitors may be removed from their boat to: A BOAT OPERATED BY OTHER COMPETITORS OR A RESCUE BOAT so designated by the Tournament Director. Partners must remain together at all times, in sight of each other and each other's catch under the conditions cited above, in order for their catch of that day to be counted. The momentary condition of being out of sight of each other for a restroom break is permitted, however **ALL FISHING MUST CEASE**, until partners are back together. If a competitor must violate any of the above conditions (to use a phone to report an emergency or breakdown) both competitors must cease fishing at this point, and their catch must be verified by a tournament official in order to be counted in the tournament. If after the emergency situation is resolved by tournament officials and enough time is left to resume fishing, a **RESTART** will be allowed and the competitors will continue and their catch will be counted. This applies only to dire emergency situations. Trailering of boats during tournament hours is prohibited, except by the direction of the Tournament Director.

14. OFFICIAL CHECKPOINT: There shall be an official checkpoint for checkout in the morning and check-in in the afternoon and this point shall be designated at the tournament briefing. At the time of check-out all competitors and their boats shall be in full conformance with all Safety and Tournament rules set forth by the Tournament Director; at check-in all boats shall identify themselves, and proceed immediately to the designated weigh-in area. Partners must stay together, through check-in and weigh-in, until weigh-in slips have been signed. **YOU MUST CHECK-IN EVEN IF YOU DON'T HAVE ANY FISH.**

15. SCORING: Tournament standing, awards and final standings shall be determined by a method of scoring set forth, and announced in the pre-tournament briefing. Only Largemouth, Smallmouth, Spotted, Red Eye or Shoal Bass will be weighed. The limit shall be 5 of the above species and varieties per day, unless the prevailing state limit is less than 5, or a special limit is established for a particular tournament by the tournament director, in which case the state limit or special limit shall be the tournament limit. At no time shall a competitor have in possession more than the tournament limit. Tournament Officials will conduct checks for violations of this provision, and in the event a competitor has in their possession more than the stated limit, shall cull, starting with the largest bass first, etc., down to the stated limit. The official length for bass shall be decided by Tournament Officials and announced at the tournament briefing. In most cases it will be the LONGEST state limit covering the tournament waters. Only bass which measure the official length or more on the longest straight line, shall be weighed-in. Bass presented for weigh-in which fail to measure the official length shall accrue penalties at the rate of one pound for each non-legal bass. This penalty shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled, or otherwise altered will be weighed and credited only at the discretion of tournament officials. After a competitor checks in at the official checkpoint he MUST present all LEGAL fish in his possession to a tournament official to be counted, measured and weighed. Once a competitor's catch has been measured, counted or verified by a tournament official, that contestant may not return to his boat until his catch has been weighed and recorded. Bass must not be stringered at any time during the tournament. This restriction includes livewell stringer systems used for culling, which are also prohibited. Each contestant's catch must be presented in an official weigh-in bag, which is specially designed and controlled to increase survival rate will be furnished by the Tournament Officials.

16. CATCH-&RELEASE: If it becomes necessary for a competitor to cull their catch, every effort must be made by the competitor to handle their own fish.

17. DON'T KILL YOUR CATCH: Each competitor is expected to keep their bass alive by the proper use of the boat's livewell system, Rejuvenade livewell additive and ice. For each legal dead bass presented to weigh-in officials, the competitor shall be penalized eight (8) ounces of weight, to be deducted from their daily score. The Tournament Officials shall have sole authority for assessing penalty points.

18. LATE PENALTY: Competitors who are not in the official checkpoint area as described in Rule 14 at the appointed time shall be penalized at the rate of 1 pound per minute, to be deducted from the total weight of their catch that day, including any weight to be counted toward a "big bass award," for each 1 minute they are late. Any competitor more than 15 minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness, and in no case shall a competitor be allowed to make up "lost time." After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during tournament hours. Exact starting and check-in times will be announced at the Tournament Briefing. It is the angler's responsibility to confirm check-in times each day on the daily pairings.

19. TIES: In case of a tie for champions, monetary awards, or cut positions the following tie-breakers will be used in order: 1) The individual with the largest number of legal fish weighed in during the official NGJWC; 2) The individual with the largest number of legal LIVE fish weighed in during the official NGJWC competition. 3.) Heaviest single days catch 4.) Previous day's standings. 5.) Oldest angler by date of birth. In the unlikely

event that individuals remain tied after these tiebreakers are employed, the tie shall be resolved by means selected by the Tournament Director will be used to determine the winner(s), and the awards. Ties for lesser positions shall be resolved by means selected by the Tournament Director.

20. PAIRING OF CONTESTANTS: Whenever possible, two contestants will be assigned to each boat, with one boat captain. If for any reason only one contestant is available to go with a boat captain, an observer will be assigned to ride in that boat with them. Whenever possible, no contestants from the same club, state or age group will be paired together. Announcement of your partner and Pro Angler/boat captain will be made at the scheduled tournament briefing. Which must be attended by each competitor or their representative. The Tournament Director may reassign partners at any time prior to takeoff. A contestant must not allow any bass caught by them to be counted on the score of another contestant. In such cases, both contestants will be disqualified from this and all future TBF sanctioned events.

21. TOURNAMENT OFFICIALS: None of the above rules shall prohibit a properly designated tournament official from approaching or boarding any competitor's boat at any time during the event or during the official NGJWC

22. NGJWC QUALIFICATION: Under no circumstances shall an individual be allowed to attempt to qualify for the National Guard Junior World Championship in more than one state in the same qualifying year. Anyone qualifying or attempting to qualify through more than one state for the same NGJWC shall be removed from this and possibly all future competitions. Because this is a TBF national rule not a STATE rule, you can also be removed from another state's team.

23. PATCHES AND/OR SIGNAGE: Anglers are encouraged to wear their own clothing, which may bear patches, logos and other signage promoting the anglers' sponsors. TBF may, however, restrict the use of patches, logos, signage, etc. that promote or advertise products which are in TBF's sole judgment in competition with the products or services of official TBF sponsors or which are, in TBF's sole judgment, in poor taste. TBF will provide as much advance notice as possible to the competitors in such instances. By signing this document, each competitor agrees to wear an official TBF\FLW patch on the front left or front right shoulder of their clothing. This patch may be embroidered. In addition, if TBF provided any ancillary clothing or products (such as life vests, team jerseys, etc.) bearing the logos of TBF or FLW or of official sponsors of same, each competitor shall wear such clothing or utilize such products in a manner requested by TBF.

24. PRO ANGLERS/BOAT CAPTAINS: Pro Angler/boat captains will not be allowed to fish during the official NGJWC; they are there to act as boat captains, mentors and observers. Pro Angler/boat captains may assist the TBF Junior Anglers in a manner as to coach or mentor them only. Pro Angler/boat captain may suggest fishing areas or techniques, baits, etc., but the final decision, as long as safety is not a factor, on where to fish or fishing methods will rest with the TBF Junior Anglers. The Pro Angler Captains MAY NOT tie knots, cast lines or lures, set the hook, or play fish to the boat. They may operate the dip net if they so chose. Pro Angler/boat captain will have complete control of the boat and outboard engine at all time. The TBF Junior anglers may not drive the boat. TBF Junior Anglers may run the trolling motor; however, the Pro Angler/boat captain has the right to take control of the trolling motor at anytime if safety or equipment is at risk.

2010 OFFICIAL ENTRY FORM **(Fill All Blanks)**

2010 National Guard Junior World Championship,
Presented by TBF & FLW Outdoors

State Federation _____

Club Name or Number _____

Social Security No. _____

Name _____

Gender: M ___ F ___ Birth Date _____

Mailing Address _____

City _____ St. _____ Zip _____

Email Address: _____

Home: Area Code () No. _____

Cell : Area Code () No. _____

Age Group Entered 11-14 _____ 15-18 _____

Your age as of August 31, 2010 _____

Do you have any physical impairment? Yes _ No _

If yes, explain _____

T-Shirt Size S M L XL XXL XXXL XXXXL
(Circle one)

Having fully acquainted myself with the rules, I and my parents or legal guardians, have completed this application and submit it for my entry into the tournament. In signing this application, and by my/our presence at the event, I/We hereby agree to be bound by and comply with all tournament rules and safety regulations. I/We expressly assume all risks associated with the tournament and I/We hereby release The Bass Federation, Inc., (TBF), FLW Outdoors, Operation Bass, Inc., their parent, and affiliate companies, their licensees and affiliates, and all their respective officers, directors, agents, employees, and stockholders, the tournament hosts, sponsors and tournament officials from all claims of death, injury and/or property damage incurred in connection with their tournaments. I hereby waive my rights of privacy or publicity with regard to the unconditional right to use my name, voice, photographic likeness, video and biographical information and fishing tips and instructions in connection with any reproduction of same, video/audio productions and/or articles and press releases by TBF, Inc, FLW Outdoors, Operation Bass, their parent or affiliate companies, and those acting under their permission, anywhere at any time, through any medium or media. I/We shall not be entitled to receive any royalties or other compensation in connection with such use. I/We further understand and agree that the tournament officials reserve the right to reject my application for any reason. I am currently a member in good standing of my home state federation, an affiliated TBF member club and TBF.

Junior Angler Contender
