Under these two conditions both contestants' catches may be counted without a penalty (except for late penalties, dead-fish penalties or other penalties pertaining to other tournament rules) provided that all contestants fish are adequately marked so as to provide clear distinction between their catches to the tournament director. Contestants who elect to return to the check-in by any other means than cited above will forfeit their day's catch to that point in time of the tournament day. Otherwise contestants must remain together and within sight of each other at all times. The momentary condition of being out of sight of each other for a restroom break is permitted. However, ALL FISHING MUST CEASE, anytime partners are separated.

14. SCORING: For the "STATE PRIDE" standings to determine which participating federation wins their National Semi-Final, each state will pre-designate their top 4 Boaters and top 4 Co-Anglers and their weights will be tracked as a group separately to determine which State wins the "STATE PRIDE" award. Boater and Co-Angler tournament standings, advancement positions and awards and final standings shall be determined by the individual total two day official weight of each Boater and each Co-Angler separately. Only Largemouth, Smallmouth, Spotted, Red Eye or Shoal Bass will be weighed. No regurgitated forage or other foreign matter may be placed in a bass. The limit shall be five (5) of the above species and varieties per angler, per day unless the prevailing state limit is less than five (5), or a special limit is established for a particular tournament by the Tournament Director. At no time shall a competitor have in possession more than the tournament limit. Tournament Officials will conduct checks for violations of this provision, and in the event a competitor has in their possession more than the stated limit, shall cull, starting with the largest fish first, down to the stated limit. The official length shall be announced at the tournament briefing. In most cases it will be the longest state limit covering the tournament waters; in no case will it be less than 12 inches. Only bass which measure the official length or more on the longest straight line, shall be weighed-in. Bass presented for weigh-in which fail to measure the official length shall not be weighed and will accrue penalties at the rate of one pound for each non-legal fish. This penalty shall be deducted from the total score of the competitor. Any fish that appears to have been mangled, mashed, mauled, or otherwise altered will be weighed and credited only at the discretion of Tournament Officials. After a competitor checks in at the official checkpoint he MUST present all LEGAL fish in his possession to a Tournament Official to be counted, measured and weighed. Once a competitor's catch has been presented to tournament officials, no one may alter nor add to their catch or return to their boat until their catch has been weighed and recorded. Fish must not be "stringered" at any time during the tournament. This would also include any device that would hold more than one fish in the livewell. Balance beams can be used for sorting fish but cannot be left attached to a fish. Each contestants catch must be presented in an official weigh-in bag, you MAY NOT use you own bag.

15. CATCH AND RELEASE: For each legal dead fish presented to weigh-in officials, the competitor shall be penalized eight (8) ounces, to be deducted from the total weight of that fish. Tournament Officials shall have sole authority for accessing penalty points.

The individual or state pride group with the largest number of legal fish weighed-in during the competition; 2.) The individual or state pride group with the largest number of legal LIVE fish

weighed-in during the competition; 3.) The individual or state pride group with the heaviest single days catch during competition; 4.) The individual or state pride group with the second heaviest single days catch during competition. Ties for lesser positions shall be resolved by means selected by the Tournament Director.

17. PROTESTS & TRUTH VERIFICATION TESTS: Anyone has a right to protest a contestant. Protests should be in writing within 30 minutes of final flight check-in time of each tournament day. It is each state Federations responsibility to manage their National Semi Final qualifier list to an equal number of Boaters and Co-angler and submit a written list to TBF National Office a minimum of 30 days before the events first tournament day.
